

Lord Byng Fundraising—Gift Card Order Form

Why?

- supports your school at no cost to you
- helps to buy much needed items for our school (last year we used funds to purchase library books, computers, instruments, and much more)
- you purchase only what you will use or give
- can purchase once or set up monthly order

How?

1. Review list of participating merchants on back of form.
2. Decide what to purchase and indicate quantity and total amount - if you want to repeat any item each month simply indicate in space provided. Use additional forms if it is easier. Given the administrative time involved - **a minimum order of \$100 is required.**
3. Complete purchase and pick-up information below.
4. Drop off the order form (and cheques) in the office, or by fax/email/phone:
